

Training Package

Training package Name (Arabic)	مقدمة في البرامج الأجنبية
Training package Name	Introduction to Foreign Programs
Training package type	Training Course
Training package Organizer	Elevate Centre
Training hours	20 hr
International Accreditation Body	Oxford Accreditation Body OAB-UK

Training goals

1. To improve teaching skills for the educator and their students.
2. To become more aware of the teaching and learning process that can be applied to the classroom according to international standards .
3. To explore and to help see teaching as intellectual work where focus is on the dedication and passion required for excellence in teaching and fostering the educational needs of students.
4. To become a reflective practitioner.
5. To become equipped with the tools and philosophies needed to teach the international program applied in Jordan for the three programs AHSD, IG, and IB programs.

Course content:

The course is divided into three modules: AHSD, British Program, International Baccalaureate
In each module we discuss the following for every program:

1. Pedagogy of International Programs
2. History of Foreign Programs
3. In which we investigate the historical, social and cultural factors that have shaped the development of international education in the MENA region.
4. Accreditation boards and requirements
5. MOE policies, requirements and equivalency standards.
6. Assessment: resources, past papers, mark schemes

Target groups

- Fresh graduates
- Teachers of the National Curriculum, and Teachers teaching International Programs
- Parents
- Admin staff

This training package has achieved the international accreditation standards of OAB-UK , international code of package certification: [31664000823010072INT](#)

Course Introduction

This course is a certified program that will grant teachers and administrators the cutting edge needed to acquire knowledge and understanding of the foreign programs available in the MENA region.

This program gives a detailed breakdown and specific requirements needed for your foreign program along with subject-based courses. It includes teaching requirements, an overview of assessment techniques and how they are applied in the external and internal examinations.

21st century learning and teaching skills will be presented in an inter-active learning atmosphere to better understand the techniques and planning needed to make your program the best it can be. The program is comprised of three modules which are based on specific requirements .needed for the international programs
