#### Next steps:

1. Preparing the professional account for the accredited Centre on the Oxford website that proves the Centre's international accreditation from the OAB-UK.
2. After that, the accredited Centre fills out the requests for accreditation of the training packages for the courses he wishes to submit for certification through the professional Centre account.
3. In addition, requests for trainer accreditation are submitted, and each trainer chooses the name of the centre to which he belongs from the list of accredited centres.
